Humble Beginnings
With our paper and pen;
The pages worked up,
And our annual begins.

Sizing the pictures,
Counting the names;
Putting together an annual,
Isn't all fun and games.

Caught in the act

Working in groups,
Or working along;
We all work together,
With hardly a moan.

Making our signs,
To clue you all in;
On the free annual,
Someone will win.

Always cutting up

Artists at work

There is fun and games,
And we all laugh and joke;
But when we lay out our pages,
We are serious folk.

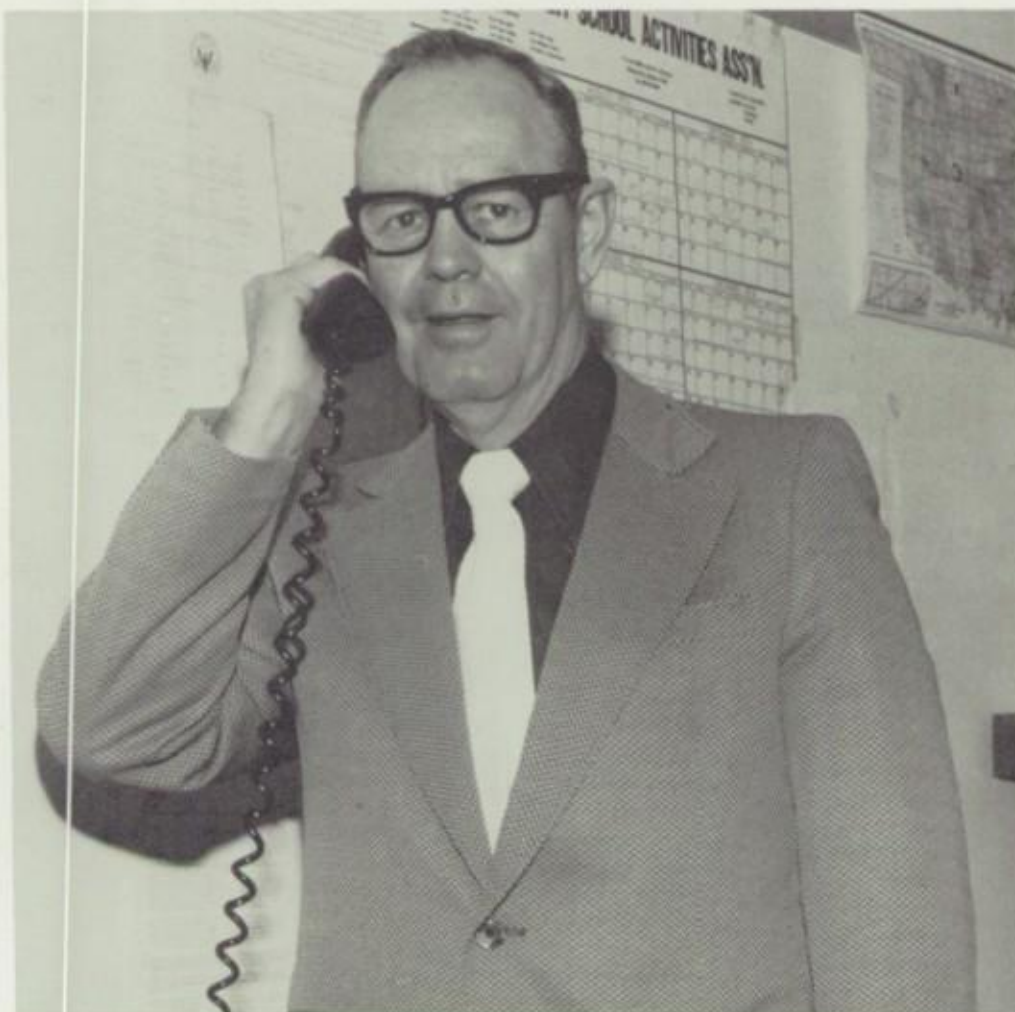

80 pages in all,
Is the depth of this book
We hope that you stop,
To give it a second look.

Champion sellers of advertising

Sponsors for pages,
Advertising sold;
The people behind us,
Are all good as gold.

We've all worked hard,
But we've had a lot of fun;
And we've turned out the best
annual, under the sun.

We the Seniors of 1975 dedicate this yearbook to Allan Long - teacher, coach, and counselor.

Mr. Long has taught and counseled the students of Geary High School for 26 years, was high school principal 9 years, and coached baseball, basketball, football, and wrestling.

During his 18 years as wrestling coach, Mr. Long has served as president of the State Wrestling Coaches Association - has been inducted into the Wrestling Coaches Hall of Fame, and through his coaching, has brought forth many champion wrestlers.

We will always hold a special place in our hearts for Mr. Long, whose tireless efforts and guidance have served as an inspiration to us all.

Johnny,

my sweet

7/22/75

Well it's really hard to tell you how I feel at the moment I'm really kind of confused. You are a great friend. You are a wonderful person with a great personality. Keep your personality this way & you'll go far in life with everything you go after.

We've only had a few months together but I feel as if I've known you for years.

This isn't exactly the best moment that we've had but we've got to make the best of our lives wherever we are! Don't make the mistakes I've made & you can make it all the way & still have an open mind! Keep that open mind too I wish I had. Maybe life would be a bit easier. I'm going to miss you.
